

BONIFA NIRANJANI J

B.E. Computer Science and Engineering Student

+91 8056618370 @ bonifaniranjani@gmail.com <https://www.linkedin.com/in/bonifa> Chennai, Tamil Nadu

SUMMARY

Motivated Computer Science and Engineering student with hands-on experience in Java, Python, Spring Boot, MERN Stack, MySQL, REST APIs, and Git/GitHub. Skilled in designing, developing, and testing scalable software applications with strong problem-solving and analytical abilities. Experienced in building full-stack and backend projects, database management, API development, and software engineering practices. Seeking a Software Development Intern role to contribute technical expertise while gaining industry experience.

EDUCATION

B.E. Computer Science and Engineering

Meenakshi College of Engineering

08/2023 - 05/2027 Chennai, Tamil Nadu

HSC

Zion Matric. Hr. Sec. School, Selaiyur

06/2022 - 05/2023 Chennai, Tamil Nadu

EXPERIENCE

Machine Learning Intern, **Skillcraft Technology**

07/2025 - 08/2025 Online

Internship focused on machine learning projects.

- Worked on the Real-Time Gesture Recognition project using Python and ML.

MERN stack developer intern, **IBM**

01/2026 - 02/2026 Online

Internship focused on the MERN stack and CRM systems.

- Focused on understanding CRM concepts, customer data management, and building simple CRM modules using modern tools and databases.

PROJECTS

House Price Prediction.

Mini project focused on predicting housing prices.

- Predicted house prices using Python.
- Mini project focused on predicting housing prices.

InfyDUGuesstimate.

Focused on building a Spring Boot-based application.

- Developed and tested a Spring Boot application for managing customer, project, and estimation data using Java, MySQL, and Postman.

STRENGTHS

Attention to Detail

Ability to pay attention to details, ensuring high-quality outcomes.

Problem Solving

Skilled at overcoming challenges and finding solutions.

Analytical Thinking

Handle Complex data and issues.

Teamwork

Able to work well in teams and communicate effectively with others.

Fast Learning Ability

Quick to adapt and learn new technologies and processes.

TECHNICAL SKILLS

Java	Python	SpringBoot
REST	GitHub	IBM
CRM Systems	CRM	Postman
CSS	JavaScript	HTML
MongoDB	Git	Visual Studio Code
Jupyter Notebook		

CERTIFICATIONS

EBPL (Employability & Business Professional Learning)

A course focusing on employability skills and business professional learning.

HTML & CSS — GUVI (in association with HCL)

A course that teaches the essentials of web development using HTML and CSS.
